CHAMPAGNE 香檳

Dom Pérignon P2 1996 16,000

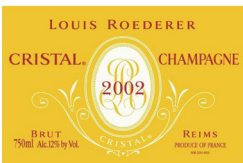

The result of over 23 years of elaboration. The wine is intense, vibrant and precise. Guided by Dom Pérignon's Chef de Cave Mr. Richard Geoffroy, the wine has an intense, full and radiant bouquet, with notes of honeysuckle, orange-colored fruits, toasted almonds and hints of iodine sensations. The creamy chewiness characterizing the vintage is channeled in a direction that is edgy yet embracing, with a wave of aromatic persistence.

Dom Pérignon Rosé 2004 4,500

The first floral notes immediately give way to black cherry and candied citrus peel, complemented by cocoa and a few smoky accents. The flawless construction achieves a perfect classicism on the palate, dominated by a sensation of balance, consistency and integration. The wine has a surprisingly brilliant and fleshy fruitiness.

Louis Roederer Cristal 2002 3,500

The 2002 vintage in Champagne was legendary—a year of near-perfect conditions. A cool, steady spring gave way to a golden summer, with just enough rain to balance the ripening grapes. The result? Wines of unmatched depth, precision, and longevity.

Louis Roederer Cristal Rosé 2008 8,400

Cristal Rosé 2008 is as close to perfection as it can be: perfect maturity combined with crystalline freshness! The unusually cool temperatures over the summer made their mark on the vintage, giving it a remarkable intense and saline freshness.

WHITE WINE 白葡萄酒

Domaine de la Romanée-Conti Montrachet Grand Cru 2002 130,000

One member of the Wine Berserkers forum said that he tried his first bottle of 2002 Domaine de la Romanée-Conti Montrachet 12 years ago, and to this day remembers the incredible taste in perfect detail. He said, “It filled the room with other worldly aromatics.” Although he’s had many Montrachet wines since then, none made an impression on him like the 2002 DRC.

Domaine des Comtes Lafon Montrachet Grand Cru 1996 37,000

This wine comes from the tiny plot (0.32ha) which is considered as jewel in the Lafon crown, the area is also as one of the greatest white in Burgundy. 1996 is one of the great vintage in Burgundy, as fairly large crop of chardonnay with concentration and fine acidity that offers fabulous balance and harmony, floral aromatics and hints of smoke and slate.

Domaine Leflaive Montrachet Grand Cru 1992 190,000

Domaine Leflaive owns 0.08ha of Montrachet, which generally yields about 300 bottles. This single parcel, believed to have been planted in the 1950s, lies within the Chassagne-Montrachet sector, very close to the lane that separates Le Montrachet from Bâtard-Montrachet.

Château Haut-Brion Blanc 2005 13,500

2005 is one of the best vintage for Château Haut-Brion Blanc, the wine is stunning, without a peer in quality and style, they are rich and intensely concentrated, fresh and refreshing. Production of average between 8,000 to 10,000 cases of white wine are produced per year.

Château Ducru-Beaucaillou 1961 18,000

Ducru-Beaucaillou has definately an exemplary reputation for its wines in years of 1961, we celebrate its 60 year birthday this year. The oldest plot in this Château is the Les Sadons parcel which was planted all the way back in 1918. Looking forward how it gonna perform once open.

Château Cheval Blanc 1947 170,000

1947 is always be considered as only the finest Cheval Blanc of the 20th century but one of the finest clarets of that century. Yet it’s a wine that doesn’t conform to the model of fine Bordeaux: it is rich and Porty due to the extreme hot year of 1947. Many Châteaux in Bordeaux were even trying to add ice to grape must in order to slow down the fermentation as the grapes contained too much high in sugar. It was an extremely difficult vintage, however, it turned out one of the finest one in the century.

Château Cheval Blanc, Bottled By Fourcaud-Laussac 1947 115,000

DOM PÉRIGNON SELECTION

唐培里儂香檳王系列

“Come Quickly, I am tasting the Stars” — Dom Pérignon

“The best wine in the world” — Dom Pérignon

The story goes that when Dom Pérignon first created his delicious bubbly champagne, he called out to his fellow monks. He was the first to see the fabulous promise of luxury and gave them body, spirit and grace. It took a visionary spirit and exceptional daring to set such an exalted ambition at the end of the 17th century.

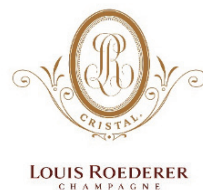

Dom Pérignon Cœnothèque follows Dom Pérignon’s founding ambition, is the fulfillment of this promise. Its secret lies in the exceptional duration of the wines aging. This extra time allows each Dom Pérignon vintage to surpass itself, enabling it to eventually become the ultimate expression of a wine whose style defies time.

P2 (Plénitude 2) is the second life of Dom Pérignon. After close to 15 years of slow transformation in the cellars, Dom Pérignon expands its energy and rises to wider, deeper, longer, more intense - and gifted further with an extended longevity.

LOUIS ROEDERER CRISTAL SELECTION

路易王妃水晶系列

A wine of pure pleasure and a sophisticated gastronomic wine, Cristal is both powerful and delicate, combining subtlety and precision. — Jean-Baptiste Lécaillon, Cellar Master

“Cristal” is champagne house Louis Roederer’s most famous selection, was created in 1876 to satisfy the demanding tastes of Tsar Alexander II. The emperor asked Louis Roederer to reserve the House’s best cuvée for him every year. This exceptional champagne came in a flat-bottomed, transparent lead-crystal bottle, was always reserved for the Emperor.

“Cristal” is only produced uniquely during the best years, when the Chardonnay (around 40%) and Pinot noir (around 60%) grapes have attained perfect maturity, then aged for 6 years in the cellars and left for a further 8 months after dégorgement.

Cristal is remarkably balanced and refined champagne whose length is inimitable.

GAJA 嘉雅酒莊

GAJA

GAJA: Pioneers and Guardians of Tradition.

GAJA's winemaking history dates back to 1859, when the family began with just 2 hectares of vineyards in Barbaresco. Over successive generations, the business expanded steadily. In the 1970s, Angelo Gaja brought Barbaresco to a wider audience and modernized winemaking in Piedmont, introducing international grape varieties and techniques.

Today, GAJA is one of Italy's most renowned and representative wineries. While best known for their acclaimed Nebbiolo-based wines, they have also acquired estates in Tuscany and Sicily, diversifying their portfolio.

CHATEAU D'YQUEM SELECTION

滴金酒莊

Since Bordeaux Wine Official Classification of 1855, Château d’Yquem is a Premier Cru Supérieur "Great First Growth" wine from the Sauternes, Gironde region in the southern part of the Bordeaux vineyards known as Graves. It is also the only one given this rating, indicating its perceived superiority and higher prices over all other wines of its type. It is only made in perfect year, the wines of Château d’Yquem are characterized by their complexity, concentration and longevity. In a good year, a bottle will only begin to show its qualities after a decade or two of cellaring.

Château d’Yquem itself was acquired by Jacques de Sauvage in December of 1593. De Sauvage acquired the property from the French monarchy by exchanging other lands that he owned for what was then referred to as the ‘House of Yquem’. The site has been home to a vineyard since at least 1711.

Great wines are not born just anywhere, by accident. The vineyard has 126 hectares (310 acres) in the Sauternes appellation, though only 100 hectares (250 acres) are in production at any time. Since grapes from newly planted vines are not worthy of the chateau name for five to seven years, about 20 hectares are held in reserve each year. The vines consist of 80% Sémillon and 20% Sauvignon Blanc, though the latter’s vigour implies the proportions are more nearly equal in the final wine.

GRAHAM’S 1882 PORT

波特酒莊

Produced in 1882 and having aged for 143 years, Ne Oublie is a truly unique wine. A taste of time, of history, and of patience.

Marking the year that Andrew James Symington first arrived in Portugal, only 656 bottles (one of the three remaining casks) of this extraordinary wine have been released. Ne Oublie represents the work of the very finest artisans of the three nations from which the Symington family is descended: Scotland, England and Portugal. It is comprised of a handmade crystal decanter designed by Atlantis in Portugal, three sterling silver bands produced and engraved by Hayward & Stott in Scotland, and it is presented in a bespoke box handcrafted by Smythson of Bond Street, England.

Unrivalled complexity only achieved by ageing for well over a century in seasoned oak. Subtle notes of orange and tobacco give way to an incredibly long finish.

CA'DEL BOSCO

博斯克酒莊

Ca'del Bosco

“We have no magic formulas, just an attention to detail that verges on obsession, in every stage of the production process. That is what we call the Ca’ del Bosco Method.” — Mr. Maurizio Zanella

Established in 1969, Ca’ Del Bosco is an Italian winery that owns over 230 hectares of vineyards in the Lombardy region in Franciacorta. It was at this time that Annamaria Clementi Zanella transformed a forest full of chestnut trees into a vineyard and winery. Maurizio Zanella is the one who created the famous flagship sparkling wine of this label, the Franciacorta DOCG.

Many wine experts consider that Franciacorta is the only region in Italy to produce authentic sparkling wines in the world. The winemaking method followed at Ca’ del Bosco is completely influenced by nature. While the team still follows historic winemaking techniques at the wineries, it also uses sophisticated equipment and cutting-edge technology to make some of the best Italian wines that you have ever tasted.
